

Green Energy Technology (1 Year Course)

Duration: 1 Year | Pattern: Semester Wise (2 Semesters)

Semester – I

Subject Code	Subject Name
GET-101	Introduction to Green Energy Technology
GET-102	Renewable Energy Sources
GET-103	Basics of Electrical & Electronics
GET-104	Solar Energy Systems
GET-105	Wind Energy Technology
GET-106	Environmental Safety & Work Practices

Semester – II

Subject Code	Subject Name
GET-201	Bio Energy & Biomass Technology
GET-202	Energy Storage Systems
GET-203	Electric Vehicle Technology
GET-204	Energy Management & Audit
GET-205	Green Energy Installation & Maintenance
GET-206	Project Work / Industrial Training
